LEISURE  FARM

- All villas come with a fully fitted designer kitchen with imported electrical appliances and professional wardrobe systems in the bedrooms. Adding to the outdoor appeal is the stylish in-ground swimming pool set amid lush fully-irrigated tropical landscaping, and complemented by expansive tiled living areas for outdoor relaxation or entertaining.
- Residents can also enjoy the facilities & services available at Leisure Farm's Bale Equestrian & Country Club which include horse riding lessons, a beach lagoon pool, gym, tennis courts, pilates studio, restaurant & bar and more.

Development Details

- Located in the Palm Grove Precinct, the luxury villas have stunning views of the surrounding lush verdant lands and are exquisitely designed to reflect modern tropical architecture. Public and private spaces are separate with the use of innovative water features, providing a perfect balance between natural and contemporary living.

- Each 4 bedroom villa is cleverly separated into open living quarters and private inner chambers. The design of the home ensures an optimum use of space including a luxurious living room, family area and dining room which open out seamlessly to the swimming pool and pool deck.
